Jen-Sal

ANTI-HOG CHOLERA SERUM AND HOG CHOLERA VIRUS

Products
that symbolize
True
Professionalism

They like Jen-Sal's ultra-attractive round container, with metal top and bottom—a package that minimizes breakage and prolongs refrigeration. They like Jen-Sal Hog Cholera Virus—purity tested and bottled in clear, hard, borosilicate glass.

They like to centralize purchases as, in addition to Anti-Hog Cholera Serum and Virus, a well stocked chain of Jen-Sal Shipping Depots carry complete lines of all supplies needed to conduct modern veterinary practice—products available to veterinarians only.
